Skype: bmsdave
E-mail: bmsdave@gmail.com
City: Saint Petersburg
Nationality: Belarus
Marital status: Married
Date of birth: 06.12.1989

Summary

Professional web developer with 4 years of experience in web development and 7 years of experience in IT.
I focus on the configuration flexibility, maintainability, performance, and product security.
I actively participate in the life of the JavaScript community. I organize PiterJS – monthly JavaScript Meetup in Saint Petersburg, volunteer as a mentor at NodeSchool/SPB and has been a member of the HolyJS program committee. Previously I served as a mentor at HTML Academy and lectured on JavaScript and node.JS at the online university of Netology. I like sports (boxing, speedcubing, and chess), I respect and love mathematics and everything related to it.
